## Prices Changes for 2016

### Price Increases

As a result of the decline of Sterling against the Euro & Dollar we have no choice but to implement the following price increases.

We will continue to monitor the situation closely and will advise further changes as other products become affected by the currency movements.

Description	Change
1st September 2016 Pumphouse	7.2%
1st October 2016 CWB	7.0%
